DIRECTIONS

From the Pennsylvania Turnpike:

Exit 326 Valley Forge. Continue South on Rt. 202. Follow to Paoli Pike. Turn Left (East) onto Paoli Pike. Follow for 4.4 miles Nursery is on the right.

From Interstate 95 Heading North:

Take Rte 202 North to Paoli Pike Exit. Turn left at end of ramp. Travel 4.4 mi., Nursery on right.

To Our Customers Old and New ,

Congratulations to us all - We can now say that we have survived one of the toughest economic downturns that most of us have ever seen. The year 2014, even with its late start, showed us many signs of optimism. Thanks in part to the recovering economy and the horrible Winter there was high demand for plants across the board. We are hopeful that this trend continues and that 2015 proves to be an even better year for us all. The biggest challenge we are seeing for Spring of 2015 is the lack of finished container material and 2" trees being available. It will be best to approach this Spring with the mentality that substitutions will be OK as long as they are close in form and function. We have been scrambling to secure material as best we can, but demand is certainly greater than what is available in the Plant World. In spite of these challenges, we are looking forward to the Spring 2015 season and working with you to provide the best quality plants available.

Pricing has increased by about 5% this year, and with fuel costs dropping we expect that freight charges will not increase this Spring. We will continue to provide the highest quality plants at a reasonable cost, and we are always happy and able to quote on projects of any size and arrange direct shipping when possible. We have continued our volume discount based on last year's sales and the breakdown is as follows:

**\$20,000 + -- 5% Discount
\$30,000 + -- 8% Discount
\$40,000 + -- 10% Discount
\$50,000 + -- 15% Discount
\$100,000 + -- 20% Discount**

We extend our sincerest gratitude to you, our customer, for choosing Sam Browns Wholesale Nursery. We look forward to serving and providing you with some of the finest plants in the country. Here's to a busy and profitable 2015 !

All our best,

The Staff @ Sam Browns Wholesale Nursery

We are proud to be members of the following organizations

**American Nursery & Landscape Association <http://www.anla.org/>
Perennial Plant Association <http://www.perennialplant.org/>
Hardy Plant Society <http://www.hardyplant.org/>
Delaware Grounds Management Association

NOTICE

We are growers & rewholesalers of top quality nursery stock and have a large selection of unusual specimen plants available. It is not possible to list all of the plants within this catalog. **Each year we strive to introduce as many new and exciting selections as the nursery trade and Mother Nature will allow.**

We welcome you to visit our nursery and the opportunity to provide you with a tour.

Please call ahead to arrange for an appointment.

The enclosed listing is intended for those engaged in the horticultural and landscape trade only. This price list supersedes all previous lists and quotations and is subject to change without notice.

We welcome your requests for quotes on unlisted items. Please provide us with reasonable response time.

We thank you for your consideration and always value the opportunity to provide you with quality service and products you deserve.

HOURS SPRING/FALL:

Monday-Friday 7:30 a.m. to 4:30 p.m.

Saturday 7:30 a.m. to 12 noon

Closed Saturdays July - Mid Sept.

WINTER:

Monday - Friday 8:30 a.m. to 4:00 p.m.

Closed Saturdays December - Mid March

TERMS AND CONDITIONS

All prices are F.O.B. Nursery. We will not be liable for loss, damage, or delays which occur in transit or otherwise beyond our control. There are no guarantees implied or expressed with regard to survivability.

All claims must be made within 5 days of receipt of plant material. We will not be liable for any sum greater than amount of original invoice.

Field material may be tagged for purchase with a nonrefundable deposit to cover 50% of purchase price. Plant stock must be picked up upon notification.

Terms for those with established credit is net 30 days from date of purchase. Overdue accounts are subject to 2% per month service charge (24% per annum) plus costs of collection.

We will provide help to load material, however, **it is the responsibility of the customer to provide materials to secure and protect plants from exposure & damage. Arrangements for pick up on large orders should be made in advance so we can best serve everyone.**

All plants are sensitive to changes in the environment; therefore please make your selections carefully as **we cannot accept returns**. Restock charges begin at \$35.00

All orders are accepted with the understanding that purchaser agrees to the conditions of sale above.

HOT NEW ITEMS IN LIMITED SUPPLY

Acer x pseudosieboldianum 'North Wind' - A super hardy selection of Korean Maple, foliage emerges red changes to light green and has fantastic Fall color

Castanea dentata – The American Chestnut, this hard to find native is slowly making a comeback as disease resistant selections are being discovered

Cercis c 'Summer Tower' - another new Cercis, but we think this one has some potential – typical flower and green foliage but only 10-12' wide so much better suited for smaller properties than the species

Euscaphis japonica - The Asian Sweetheart Tree- an interesting small tree with creamy yellow flowers followed by deep red seed capsules and black seed

Mahonia confusa 'Narihira' – a hardier selection of Mahonia similar to the foliage of Soft Caress with yellow flowers in September

Prunus laurocerasus 'Chestnut Hill' – a selection of Cherry Laurel discovered at Morris Arboretum ultimately 4'x4' and reputed to have good resistance to “shot hole” fungus that can plague other forms

Rubus 'Raspberry Shortcake' - a self fertile, dwarf and thornless selection of Raspberry that is happy in a container or in the landscape

Styrax j 'Marley's Pink Parasol' – the long awaited pink flowered, weeping form of Japanese Snowbell – should be a big hit !
